Expiration Date: July 31, 2014

Dear Ms. Boucher:

This is official notification that an informal conference will be held pursuant to §§ 2.2-4019, 2.2-4021, and 54.1-2400(10) of the Code of Virginia (1950), as amended ("Code"), **on October 7, 2013, at 1:00 p.m.**, at the Department of Health Professions, Perimeter Center, 9960 Mayland Drive, Suite 201, Henrico, Virginia 23233. You may be represented by an attorney at the conference. This informal conference will be convened as a public meeting pursuant to § 2.2-3700 *et seq.* of the Code.

The Special Conference Committee ("Committee"), which is comprised of at least two members of the Virginia Board of Nursing ("Board"), will inquire into allegations that you may have violated certain laws and regulations governing professional nursing practice in Virginia.

Specifically, during the course of your employment with Rappahannock General Hospital, Kilmarnock, Virginia:

1. You may have violated § 54.1-3007(2), (5), and (6) of the Code and 18 VAC 90-20-300(A)(2)(c) of the Regulations Governing the Practice of Nursing ("Regulations") in that:

a. On or about January 23, 2013, you diverted at least 1 mg of hydromorphone (Schedule II) for your personal and unauthorized use, which you accomplished by withdrawing 2 mg of the medication for Patient A, administering 1 mg, and failing to account for the remaining 1 mg of the medication.

b. On or about September 24, 2012, you diverted 1 mg of hydromorphone (Schedule II) for your personal and unauthorized use, which you accomplished by withdrawing 2 mg of the medication for Patient B, administering 1 mg, and failing to account for the remaining 1 mg of the medication.

c. On or about July 11, 2012, you diverted two tablets of hydrocodone (Schedule III) for your personal and unauthorized use, which you accomplished by withdrawing the medication for Patient C, and failing to account for its administration, return, or wastage.

2. You may have violated § 54.1-3007(2), (5), and (8) of the Code and 18 VAC 90-20-300(A)(2)(f) of the Regulations in that:

a. On or about February 10-11, 2013, you failed to properly document the amount of medication administered to a patient and the amount that was wasted.

b. On or about July 14, 2012, you failed to document the administration of lorazepam to Patient D.

Please see Attachment I for the name of the patients referred to above

In its deliberations, the Committee may use the Sanction Reference Points System, as contained in the Sanction Reference Manual. The manual, which is a guidance document of the Board, may be accessed at <http://www.dhp.virginia.gov/nursing>. Please click on *Guidance Documents*, then select #90-7. You may also request a paper copy from the Board office by calling (804) 367-4515.

Since the allegations listed above involve impairment, please be advised that you may make application to the Health Practitioners' Monitoring Program ("HPMP"), which is available to all health care practitioners licensed in Virginia. Information about the HPMP is enclosed. Should you enter into a written agreement with the HPMP prior to your informal conference, the Committee will take that into consideration when deciding your case.

After the informal conference, the Committee is authorized by § 54.1-2400(10) of the Code to take any of the following actions:

- If the Committee finds that there is insufficient evidence to warrant further action or that the charges are without foundation, the Committee shall notify you by mail that your record has been cleared of any charge which might affect your right to practice nursing in the Commonwealth;
- The Committee may place you on probation for such time as it may designate and subject to such terms and conditions as it may deem appropriate;
- The Committee may reprimand you; or
- The Committee may impose a monetary penalty.

Further, the Committee may refer the case to the Board of Nursing or a panel thereof for a formal hearing. If the Committee is of the opinion that suspension or revocation may be justified, the Committee may offer you a Consent Order for suspension or revocation in lieu of a formal hearing.

If you fail to appear at the informal conference, the Committee may proceed to hear the case in your absence and may take any of the actions outlined above. At least ten days prior to the scheduled date of the

conference, please inform this office at (804) 367-4634, or in writing at the address listed above, of your telephone number and whether you intend to appear at the informal conference.

To facilitate this proceeding, you should submit five copies of any documents you wish the Committee to consider to the Department of Health Professions, Board of Nursing, Perimeter Center, 9960 Mayland Drive, Suite 300, Henrico, Virginia 23233, by October 7, 2013. Your documents may not be submitted by facsimile or email.

You have the right to the information on which the Board will rely in making its decision. Therefore, I have enclosed a copy of the documents that will be distributed to the members of the Committee and will be considered by the Committee when discussing any allegations with you and when deliberating on your case. **These documents are enclosed only with the original notice sent by certified mail, which you may be required to claim at the post office. Please bring these documents with you to the informal conference.**
