Dear Ms. Tillman:

You were notified by our certified letter dated August 15, 2001 that the check you presented for \$45 was not honored by the financial institution upon which it was drawn. This check was offered to pay fees established by the Board of Nursing, Nurse Aide Registry.

Section 54.1-104 of the Code of Virginia empowers the Department of Health Professions to suspend a license or certificate of anyone who submits a check, draft, or other instrument for payment of a fee required by statute or regulation, which is not honored by the bank or financial institution. The suspension shall become effective ten (10) days following delivery by certified mail or written notice.

You are hereby informed that the Department has suspended your certificate, and you are no longer legally eligible to practice as a certified nurse aide. You are strongly advised to immediately cease and desist from practice until you take action necessary to have your certificate reinstated.

To have your certificate reinstated, you must remit fees totaling \$70 by certified check, money order, or cashier's check made payable to the Treasurer of Virginia, along with a copy of this letter, to the Department of Health Professions.

Sincerely,

John W. Hasty
