Dear Ms. Tillman:

On July 12, 2001, the Department of Health Professions wrote you a letter notifying you that your bank returned your check dated June 18, 2001 for \$45, to us. That notice also stated that failure to make restitution and pay \$70 for the dishonored check could result in suspension of your certificate.

This letter is to formally notify you that the Department of Health Professions will suspend any license, certificate, registration, or authority it has issued to you pursuant to the dishonored check **10 days after receipt of this certified letter.**

This action will invalidate your certificate to practice as a Nurse Aide and cause your name to be deleted from the nurse aide registry.

Sincerely,

A handwritten signature in black ink, appearing to read "Wayne A. Mullins".
