DEPARTMENT OF HEALTH,

Petitioner,

Case No.: 2011-19735
License No.: RN 9178769

LISA MICHELE VINES,

Respondent.

_____ /

FINAL ORDER

This matter appeared before the Board of Nursing at a duly-noticed public meeting on February 8, 2013 in Panama City, Florida, for a hearing not involving disputed issues of material fact pursuant to Sections 120.569 and 120.57(2), Florida Statutes. Petitioner has filed an Administrative Complaint seeking disciplinary action against the license. A copy of the Administrative Complaint is attached to and made a part of this Final Order. Service of the Administrative Complaint was made upon Respondent by certified mail, return receipt requested. Respondent has not filed an Election of Rights. Petitioner has filed a Motion for Determination of Waiver and Entry of Final Order. Petitioner was represented by Jodi-Ann Johnson, Assistant General Counsel, Florida Department of Health. Respondent was not present.

FINDINGS OF FACT

Since the licensee has not replied to the Administrative Complaint nor contested the factual allegations, the prosecuting

attorney offered the investigative file to prove the facts as alleged. The investigative file was received into evidence and the Board finds the uncontested facts adequately support the allegations. Therefore, the Board adopts as its finding of facts the facts set forth in the Administrative Complaint.

CONCLUSIONS OF LAW

Based upon the Findings of Fact, the Board concludes the licensee has violated Section 456.072(1)(hh), Florida Statutes.

The Board is empowered by Sections 464.018(2) and 456.072(2), Florida Statutes, to impose a penalty against the licensee. Therefore it is ORDERED that:

The licensee must pay investigative costs of \$823.63 within twelve (12) months from the date of entry of this Order. Payment shall be made to the Board of Nursing and mailed to, DOH-Compliance Management Unit, 4052 Bald Cypress Way, Tallahassee, Florida 32399-3276, Attention: Nursing Compliance Officer. **Payment must be by cashier's check or money order ONLY.** Personal checks will NOT be accepted.

The license of LISA MICHELE VINES is suspended for two (2) years and thereafter until she personally appears before the Board and can demonstrate the present ability to engage in the safe practice of nursing. That demonstration shall include at least an in-depth psychological evaluation coordinated through the Intervention Project for Nurses. The licensee shall supply a copy of this Order

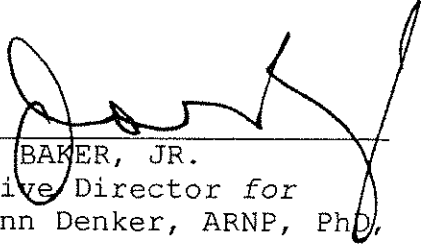

to the evaluator. The evaluation must contain evidence that the evaluator knows of the reason for referral. The evaluator must specifically advise this Board that the licensee is presently able to engage in the safe practice of nursing or recommend the conditions under which safe practice could be attained. The Board reserves the right to impose reasonable conditions of reinstatement at the time the licensee appears before the Board to demonstrate her present ability to engage in the safe practice of nursing.

The licensee's employer shall immediately be informed of the suspension in writing from the licensee with a copy to DOH-Compliance Management Unit, 4052 Bald Cypress Way, Tallahassee, Florida 32399-3276, Attention: Nursing Compliance Officer.

This Final Order shall become effective upon filing with the Clerk of the Department of Health.

DONE AND ORDERED this 20th day of Feb, 2013.
