

VIRGINIA:

BEFORE THE BOARD OF NURSING

**IN RE: JONEE ARNOLD, R.N.
License No.: 0001-227067**

ORDER

The Virginia Board of Nursing ("Board") enters the following affecting Jonee Arnold's license to practice professional nursing in Virginia.

The Board adopts the following Findings of Fact and Conclusions of Law.

FINDINGS OF FACT

1. Jonee Arnold, R.N., was issued License No. 0001-227067 to practice professional nursing by the Virginia Board of Nursing on September 9, 2010. Said license is scheduled to expire on August 31, 2014. Her primary state of residence is Virginia.
2. By Order of the Board entered on March 11, 2013 ("Board's Order"), Ms. Arnold's license was placed on indefinite probation or not less than two years of active nursing practice, with terms and conditions, as a result of her poor nursing practice.
3. By email dated January 2, 2014, Ms. Arnold submitted a request for early release from indefinite probation. A review of Ms. Arnold's compliance found that she was substantially compliant with the terms and conditions of the Board's Order.
4. Ms. Arnold reported that, while on probation, she began a nurse practitioner program at Walden University and has maintained a 3.66 grade point average.

CONCLUSIONS OF LAW

Ms. Arnold has demonstrated satisfactory evidence to warrant release from probation.
