The hearing will be held on May 21, 2014, at 11:00 a.m., at the offices of the Department of Health Professions, Board of Nursing, Perimeter Center, 9960 Mayland Drive, Suite 201, Henrico, Virginia 23233, at which time Ms. Bradley will be afforded the opportunity to be heard in person or by counsel.

The burden rests upon Ms. Bradley, as the applicant, to demonstrate that she is capable of resuming the safe and competent practice of professional nursing in Virginia.

Bradley may have violated § 54.1-3007(1) and (6) of the Code and 18 VAC 90-20-300(A)(1)(b) of the Regulations Governing the Practice of Nursing in that on her application for reinstatement of her license to practice professional nursing, she answered “NO” to the question “Do you have a mental, physical, or chemical dependency condition which could interfere with your current ability to practice nursing?” when, in fact, by her own admission, Ms. Bradley has applied for disability and has been diagnosed with fibromyalgia, cervical lumbar and spine disease and chronic fatigue syndrome.
