RE: LETTER OF REPRIMAND
CRNA LICENSE C01385
RN LICENSE R67397

Dear Ms. Rosado:

The Arkansas State Board of Nursing has received a complaint regarding your nursing practice. This Letter of Reprimand is being issued to Sandra Marie Rosado (hereinafter referred to as Respondent) for violations of the *Nurse Practice Act*.

The Nurse Practice Act of the State of Arkansas, A.C.A. §17-87-309 (Amended 1999) and Arkansas State Board of Nursing Rules Chapter 7, Section IV state:

- (a) The board shall have sole authority to deny, suspend, revoke or limit any license to practice nursing or certificate of prescriptive authority issued by the board or applied for in accordance with the provisions of this chapter or to otherwise discipline a licensee upon proof that the person:
- (1) **Is guilty of fraud or deceit in procuring or attempting to procure a license to practice nursing.**
 - False representation of facts on an... application for renewal of license;
 - (6) **Is guilty of unprofessional conduct;**
 - Any other conduct that, in the opinion of the Board, is likely to deceive, defraud, injure or harm a patient or the public by an act, practice, or omission that fails to conform to the accepted standards of the nursing profession.
 - (7) **Has had a license, privilege to practice, certificate, or registration revoked or suspended or has been placed on probation or under disciplinary order in any jurisdiction.**
- On March 16, 2011 Respondent completed on line applications for license renewal to renew her RN and CRNA licenses.
 - On both applications Respondent answered "No" to the question "Are you under investigation in any state or jurisdiction or has your license been disciplined by any state since your last renewal."

Letter of Reprimand

Page 2 of 2

- On September 15, 2010, the Nevada Board of Nursing disciplined Respondent's licenses for submitting "a RN/CRNA renewal application to the Board attesting that she completed all mandatory continuing education (CE) during the renewal period. A random CE audit demonstrated she did not complete the mandatory bioterrorism course during the renewal period being audited."
- Respondent falsified her Arkansas Nursing License Renewal Applications by failing to report the disciplinary action taken by the Nevada Board of Nursing.
- In addition on January 9, 2012 the North Carolina Board of Nursing issued a Letter of Reprimand for answering "No" to the question regarding disciplinary action in another state on her North Carolina nursing license renewal application that was submitted on September 21, 2011.

The Arkansas State Board of Nursing therefore Orders that the license of Sandra Marie Rosado is reprimanded and the following conditions are to be met:

Respondent is to provide evidence of completion of the Board approved course *Righting a Wrong: Ethics and Professionalism in Nursing*. The course is to be completed within six months of receipt of this Letter of Reprimand. Upon completion of the course Respondent is to submit a two-page summary as specified in the directions for Board Ordered Courses.

This letter of reprimand is:

- public information
- made a part of your record
- scheduled to be reported in the ASBN newsletter following the disciplinary hearings
- reported to the National Council of State Boards of Nursing Disciplinary Data Bank
and
- reported to the Healthcare Integrity and Protection Data Bank

You should understand that evidence of a prior violation of the Nurse Practice Act may be used for purposes of determining sanctions in any future disciplinary matters.

You may request a hearing before the full Board in lieu of this Letter of Reprimand. You have thirty (30) days upon receipt of this letter to request a formal hearing before the Arkansas State Board of Nursing.

You are responsible and accountable for your own practice. Please review the enclosed Grounds for Discipline.

Sincerely,

Sue A. Tedford, MNsc, RN
Executive Director
