SENTENCING ORDER

Attorney for the Commonwealth: Christopher Billias
Attorney for the Defendant: Eric L. Sisler, Assistant Public Defender

The defendant was present and represented by counsel. The defendant was arraigned and, after private consultation with and being advised by her counsel, pleaded guilty to the Indictments, which pleas were tendered by the accused in person.

The Court made inquiry of the accused in the manner provided in Part 3A, Rules of the Supreme Court of Virginia, and did determine that the accused fully understood the nature and effect of her pleas, the penalties that could be imposed upon her conviction, the waiver of trial by jury and appeal, and did further determine that the pleas were voluntarily and intelligently given after the advice of counsel.

Whereupon the Court proceeded to hear and determine the case without the intervention of a jury and, having heard the evidence and argument of counsel, finds the accused guilty of two (2) counts of grand larceny, as charged in the Indictments.

Pursuant to the provisions of §19.2-298.01, the Court has considered the applicable discretionary sentencing guidelines and the guidelines worksheets, which are ordered filed as part of the record in this case.

The defendant, by counsel, and the Attorney for the Commonwealth waived preparation of a pre-sentence report in this case and agreed to proceed with sentencing this date. Before pronouncing the sentence, the Court inquired if the defendant desired to make a statement and if the defendant desired to advance any reason why judgment should not be pronounced.

The Court **SENTENCED** the defendant in accordance with the joint recommendation of counsel to incarceration with the Virginia Department of Corrections for a term of two (2) years on each count, which sentences shall run concurrently, for a total term of two (2) years.

This sentence shall run consecutively with any other sentences imposed.

The Court **SUSPENDED** this sentence upon the following conditions:

Good Behavior. The defendant shall be of good behavior for two (2) years.

Supervised Probation. The defendant is placed on probation under the supervision of a Probation Officer for two (2) years or unless sooner released by the Court or the Probation Officer. The defendant shall comply with all the rules and requirements set by the Probation Officer. Probation may include substance abuse counseling and/or testing. The defendant shall not use illegal drugs or associate with anyone using illegal drugs.

The defendant shall have no contact with Myrtle Moore or Carol Moore.

Costs. The defendant shall pay the costs of the proceedings and restitution at a rate of at least \$100.00 each month beginning November 1, 2013.

Restitution. The defendant shall pay \$1,700.00 restitution as indicated on the Restitution Memorandum filed in this case at a rate of at least \$100.00 per month beginning November 1, 2013.

DNA and Fingerprints. The defendant shall provide a DNA sample and legible fingerprints as directed.

Credit for Time Served. The defendant shall be given credit for time spent in confinement while awaiting trial pursuant to §53.1-187.

Right to Appeal. The defendant was advised of her right to appeal the decision in this case. At all times during the trial the defendant was personally present and her attorney was likewise personally present and ably and capably represented the defendant.
