Dear Ms. Quinn:

Our certified letter dated December 19, 2006 notified you that the check you presented for \$95.00 was not honored by the financial institution upon which it was drawn. This check was offered to pay fees established by the Board of Nursing.

Section 54.1-104 of the Code of Virginia empowers the Department of Health Professions to suspend a license or certificate of anyone who submits a check, money draft, or similar instrument for payment of a fee required by statute or regulation which is not honored by the bank or financial institution. The suspension shall become effective ten (10) days following delivery by certified mail of written notice of the dishonor and the impending suspension to such person's address.

You are hereby informed that the Department has suspended your license, and you are no longer legally eligible to practice as a Certified Massage Therapist. Section 54.1-111 makes the practice of a profession without a valid license a criminal act punishable by a fine and incarceration, and repeated violations may constitute a felony. Therefore, you are strongly advised to immediately cease and desist from practice until you take action necessary to have your license reinstated.

To have your license reinstated, you must remit fees totaling \$130.00 by certified check, money order, or cashier's check made payable to the Treasurer of Virginia, along with a copy of this letter, to the Department of Health Professions.

Sincerely,

A handwritten signature in black ink, appearing to read "Sandra Whitley Ryals", written over a horizontal line.
