No. 2006-54 are true.

10. The total cost for investigation and enforcement in connection with the
Accusation/Petition to Revoke Probation are \$2,840.75 as of December 5, 2008.

14 ACCUSATION

15 FIRST CAUSE FOR DISCIPLINE

16 (Unprofessional Conduct)

17 10. Respondent is subject to disciplinary action under section 2761,
18 subdivisions (a) and (d) of the Code, on the grounds of unprofessional conduct as follows:

19 A. In or about August, 2006, through on or about July 11, 2007, Respondent,
20 worked as a Registered Nurse at Good Samaritan Hospital in Los Angeles, CA. The hospital
21 used the Omnicell automated medication system(Omniceil system). On or about June 14,
22 through July 11, 2007, Respondent obtained controlled substances via the Omnicell system
23 without authorization by a physician. The unauthorized withdrawal of controlled substances
24 includes, but is not limited to the following;

25 Patient #1

26 1). On or about June 15, 2007, at 7:32 p.m., 8:47 p.m., and 11:24 p.m.,
27 Respondent withdrew a 2 mg syringe of Dilaudid for this patient by entering her personalized
28 access code into the Omnicell system as reflected in the Omnicell report for a total of 6 mg of

1 Dilaudid. The Medication Administration Record (MAR) notes that at 7:30 p.m., 2 mg of
2 Dilaudid was administered to this patient. There was no order for Dilaudid for this patient by any
3 physician. Respondent did not account for the administration of the remaining 4 mg of Dilaudid
4 to this patient in any hospital record.

5 Patient #2

6 2). On or about June 15, 2007, at 3:56 a.m., Respondent withdrew a 2 mg
7 syringe of Dilaudid for this patient by entering her personalized access code into the Omnicell
8 system as reflected in the Omnicell report. The physician orders indicate that Dilaudid 2 mg IV
9 was ordered at 3:20 a.m. and administered at 3:30 a.m. for this patient. The patient's physician
10 denies giving any order for Dilaudid for this patient. Moreover, Respondent did not account for

14 syringe of Dilaudid for this patient by entering her personalized access code into the Omnicell
15 system as reflected in the Omnicell report. The physician orders indicate that Dilaudid 2 mg IV
16 was ordered at an unspecified time and administered at 3:30 a.m. for this patient. The patient's
17 physician denies giving any order for Dilaudid for this patient. This order is written above the
18 entry lines of the form and appears to have been written out of sequence with the rest of the
19 orders for that day. Respondent documented the administration of the Dilaudid to this patient in
20 the medication administration record. The entry appears to be out of chronological sequence
21 with the other entries for that day.

22 Patient #4

23 4). On or about June 14, 2007, at 8:09 pm and at 8:29 pm, Respondent
24 withdrew 1 tablet (500 mg) of Vicodin for a total of 2 tablets by entering her personalized access

13 comply with the conditions of the Probation Program established by the Board and cooperate with
14 representatives of the Board in its monitoring and investigation of the Respondent's compliance with

2 shall obtain prior approval from the Board before commencing or continuing any employment, paid
3 or voluntary, as a registered nurse. Respondent shall cause to be submitted to the Board all
4 performance evaluations and other employment related reports as a registered nurse upon request
5 of the Board.

6 Respondent shall provide a copy of this Decision to her employer and immediate
7 supervisors prior to commencement of any nursing or other health care related employment.

8 In addition to the above, Respondent shall notify the Board in writing within
9 seventy-two (72) hours after she obtains any nursing or other health care related employment.

10 Respondent shall notify the Board in writing within seventy-two (72) hours after she is terminated or
11 separated, regardless of cause, from any nursing, or other health care related employment with a full
12 explanation of the circumstances surrounding the termination or separation.

13 8. **Supervision.** Respondent shall obtain prior approval from the Board
14 regarding Respondent's level of supervision and/or collaboration before commencing or continuing
15 any employment as a registered nurse, or education and training that includes patient care.

16 Respondent shall practice only under the direct supervision of a registered nurse in
17 good standing (no current discipline) with the Board of Registered Nursing, unless alternative
18 methods of supervision and/or collaboration (e.g., with an advanced practice nurse or physician)
19 are approved.

20 Respondent's level of supervision and/or collaboration may include, but is not
21 limited to the following:

22 (a) Maximum - The individual providing supervision and/or collaboration is
23 present in the patient care area or in any other work setting at all times.

24 (b) Moderate - The individual providing supervision and/or collaboration is in the
25 patient care unit or in any other work setting at least half the hours Respondent works.

26 (c) Minimum - The individual providing supervision and/or collaboration has
27 person-to-person communication with Respondent at least twice during each shift worked.

28 (d) Home Health Care - If Respondent is approved to work in the home health

2 communication with Respondent as required by the Board each work day. Respondent shall
3 maintain telephone or other telecommunication contact with the individual providing supervision
4 and/or collaboration as required by the Board during each work day. The individual providing
5 supervision and/or collaboration shall conduct, as required by the Board, periodic, on-site visits to
6 patients' homes visited by Respondent with or without Respondent present.

7 **9. Employment Limitations.** Respondent shall not work for a nurse's
8 registry, in any private duty position as a registered nurse, a temporary nurse placement agency, a
9 traveling nurse, or for an in-house nursing pool.

10 Respondent shall not work for a licensed home health agency as a visiting nurse
11 unless the registered nursing supervision and other protections for home visits have been approved
12 by the Board. Respondent shall not work in any other registered nursing occupation where home
13 visits are required.

14 Respondent shall not work in any health care setting as a supervisor of registered
15 nurses. The Board may additionally restrict Respondent from supervising licensed vocational
16 nurses and/or unlicensed assistive personnel on a case-by-case basis.

17 Respondent shall not work as a faculty member in an approved school of nursing or
18 as an instructor in a Board approved continuing education program.

19 Respondent shall work only on a regularly assigned, identified and predetermined
20 worksite(s) and shall not work in a float capacity.

21 *If Respondent is working or intends to work in excess of 40 hours per week, the*
22 *Board may request documentation to determine whether there should be restrictions on the hours of*
23 *work.*

24 **10. Complete a Nursing Course(s).** Respondent, at her own expense, shall
25 enroll and successfully complete a course(s) relevant to the practice of registered nursing no later
26 than six months prior to the end of her probationary term.

27 Respondent shall obtain prior approval from the Board before enrolling in the
28 course(s). Respondent shall submit to the Board the original transcripts or certificates of

1 completion for the above required course(s). The Board shall return the original documents to
2 Respondent after photocopying them for its records.

3 **11. Violation of Probation.** If Respondent violates the conditions of her
4 probation, the Board after giving Respondent notice and an opportunity to be heard, may set aside
5 the stay order and impose the stayed discipline (revocation/suspension) of Respondent's license.

6 If during the period of probation, an accusation or petition to revoke probation has
7 been filed against Respondent's license or the Attorney General's Office has been requested to
8 prepare an accusation or petition to revoke probation against Respondent's license, the
9 probationary period shall automatically be extended and shall not expire until the accusation or
10 petition has been acted upon by the Board.

11 **12. License Surrender.** During Respondent's term of probation, if she ceases
12 practicing due to retirement, health reasons or is otherwise unable to satisfy the conditions of
13 probation, Respondent may surrender her license to the Board. The Board reserves the right to
14 evaluate Respondent's request and to exercise its discretion whether to grant the request, or to take
15 any other action deemed appropriate and reasonable under the circumstances, without further
16 hearing. Upon formal acceptance of the tendered license and wall certificate, Respondent will no
17 longer be subject to the conditions of probation.

18 Surrender of Respondent's license shall be considered a disciplinary action and
19 shall become a part of Respondent's license history with the Board. A registered nurse whose
20 license has been surrendered may petition the Board for reinstatement no sooner than the following
21 minimum periods from the effective date of the disciplinary decision:

22 (1) Two years for reinstatement of a license that was surrendered for any
23 reason other than a mental or physical illness; or

24 (2) One year for a license surrendered for a mental or physical illness.

25 **13. Physical Examination.** Within 45 days of the effective date of this
26 Decision, Respondent, at her expense, shall have a licensed physician, nurse practitioner, or
27 physician assistant, who is approved by the Board before the assessment is performed, submit an
28 assessment of the Respondent's physical condition and capability to perform the duties of a

1 registered nurse. Such an assessment shall be submitted in a format acceptable to the Board. If
2 medically determined, a recommended treatment program will be instituted and followed by the
3 Respondent with the physician, nurse practitioner, or physician assistant providing written reports to
4 the Board on forms provided by the Board.

5 If Respondent is determined to be unable to practice safely as a registered nurse,
6 the licensed physician, nurse practitioner, or physician assistant making this determination shall
7 immediately notify the Board and Respondent by telephone, and the Board shall request that the
8 Attorney General's office prepare an accusation or petition to revoke probation. Respondent shall
9 immediately cease practice and shall not resume practice until notified by the Board. During this
10 period of suspension, Respondent shall not engage in any practice for which a license issued by the
11 Board is required until the Board has notified Respondent that a medical determination permits
12 Respondent to resume practice. This period of suspension will not apply to the reduction of this
13 probationary time period.

14 If Respondent fails to have the above assessment submitted to the Board within the
15 45-day requirement, Respondent shall immediately cease practice and shall not resume practice
16 until notified by the Board. This period of suspension will not apply to the reduction of this
17 probationary time period. The Board may waive or postpone this suspension only if significant,
18 documented evidence of mitigation is provided. Such evidence must establish good faith efforts by
19 Respondent to obtain the assessment, and a specific date for compliance must be provided. Only
20 one such waiver or extension may be permitted.

21 **14. Participate in Treatment/Rehabilitation Program for Chemical**
22 **Dependence.** Respondent, at her expense, shall successfully complete during the probationary
23 period or shall have successfully completed prior to commencement of probation a Board-
24 approved treatment/rehabilitation program of at least six months duration. As required, reports
25 shall be submitted by the program on forms provided by the Board. If Respondent has not
26 completed a Board-approved treatment/rehabilitation program prior to commencement of
27 probation, Respondent, within 45 days from the effective date of the decision, shall be enrolled in a
28 program. If a program is not successfully completed within the first nine months of probation, the

1 Board shall consider Respondent in violation of probation.

2 Based on Board recommendation, each week Respondent shall be required to
3 attend at least one, but no more than five 12-step recovery meetings or equivalent (e.g., Narcotics
4 Anonymous, Alcoholics Anonymous, etc.) and a nurse support group as approved and directed by
5 the Board. If a nurse support group is not available, an additional 12-step meeting or equivalent
6 shall be added. Respondent shall submit dated and signed documentation confirming such
7 attendance to the Board during the entire period of probation. Respondent shall continue with the
8 recovery plan recommended by the treatment/rehabilitation program or a licensed mental health
9 examiner and/or other ongoing recovery groups.

10 **15. Abstain from Use of Psychotropic (Mood-Altering) Drugs.**

11 Respondent shall completely abstain from the possession, injection or consumption by any route of
12 all controlled substances and all psychotropic (mood altering) drugs, including alcohol, except when
13 the same are ordered by a health care professional legally authorized to do so as part of
14 documented medical treatment. Respondent shall have sent to the Board, in writing and within
15 fourteen (14) days, by the prescribing health professional, a report identifying the medication,
16 dosage, the date the medication was prescribed, the Respondent's prognosis, the date the
17 medication will no longer be required, and the effect on the recovery plan, if appropriate.

18 Respondent shall identify for the Board a single physician, nurse practitioner or
19 physician assistant who shall be aware of Respondent's history of substance abuse and will
20 coordinate and monitor any prescriptions for Respondent for dangerous drugs, controlled
21 substances or mood-altering drugs. The coordinating physician, nurse practitioner, or physician
22 assistant shall report to the Board on a quarterly basis Respondent's compliance with this condition.
23 If any substances considered addictive have been prescribed, the report shall identify a program for
24 the time limited use of any such substances.

25 The Board may require the single coordinating physician, nurse practitioner, or
26 physician assistant to be a specialist in addictive medicine, or to consult with a specialist in addictive
27 medicine.

28 ///

1 16. **Submit to Tests and Samples.** Respondent, at her expense, shall
2 participate in a random, biological fluid testing or a drug screening program which the Board
3 approves. The length of time and frequency will be subject to approval by the Board. Respondent
4 is responsible for keeping the Board informed of Respondent's current telephone number at all
5 times. Respondent shall also ensure that messages may be left at the telephone number when she is
6 not available and ensure that reports are submitted directly by the testing agency to the Board, as
7 directed. Any confirmed positive finding shall be reported immediately to the Board by the
8 program and Respondent shall be considered in violation of probation.

9 In addition, Respondent, at any time during the period of probation, shall fully
10 cooperate with the Board or any of its representatives, and shall, when requested, submit to such
11 tests and samples as the Board or its representatives may require for the detection of alcohol,
12 narcotics, hypnotics, dangerous drugs, or other controlled substances.

13 If Respondent has a positive drug screen for any substance not legally authorized
14 and not reported to the coordinating physician, nurse practitioner, or physician assistant, and the
15 Board files a petition to revoke probation or an accusation, the Board may suspend Respondent
16 from practice pending the final decision on the petition to revoke probation or the accusation. This
17 period of suspension will not apply to the reduction of this probationary time period.

18 If Respondent fails to participate in a random, biological fluid testing or drug
19 screening program within the specified time frame, Respondent shall immediately cease practice and
20 shall not resume practice until notified by the Board. After taking into account documented
21 evidence of mitigation, if the Board files a petition to revoke probation or an accusation, the Board
22 may suspend Respondent from practice pending the final decision on the petition to revoke
23 probation or the accusation. This period of suspension will not apply to the reduction of this
24 probationary time period.

25 17. **Mental Health Examination.** Respondent shall, within 45 days of the
26 effective date of this Decision, have a mental health examination including psychological testing as
27 appropriate to determine her capability to perform the duties of a registered nurse. The
28 examination will be performed by a psychiatrist, psychologist or other licensed mental health

1 practitioner approved by the Board. The examining mental health practitioner will submit a written
2 report of that assessment and recommendations to the Board. All costs are the responsibility of
3 Respondent. Recommendations for treatment, therapy or counseling made as a result of the mental
4 health examination will be instituted and followed by Respondent.

5 If Respondent is determined to be unable to practice safely as a registered nurse,
6 the licensed mental health care practitioner making this determination shall immediately notify the
7 Board and Respondent by telephone, and the Board shall request that the Attorney General's office
8 prepare an accusation or petition to revoke probation. Respondent shall immediately cease
9 practice and may not resume practice until notified by the Board. During this period of suspension,
10 Respondent shall not engage in any practice for which a license issued by the Board is required,
11 until the Board has notified Respondent that a mental health determination permits Respondent to
12 resume practice. This period of suspension will not apply to the reduction of this probationary time
13 period.

14 If Respondent fails to have the above assessment submitted to the Board within the
15 45-day requirement, Respondent shall immediately cease practice and shall not resume practice
16 until notified by the Board. This period of suspension will not apply to the reduction of this
17 probationary time period. The Board may waive or postpone this suspension only if significant,
18 documented evidence of mitigation is provided. Such evidence must establish good faith efforts by
19 Respondent to obtain the assessment, and a specific date for compliance must be provided. Only
20 one such waiver or extension may be permitted.

21 **18. Therapy or Counseling Program.** Respondent, at her expense, shall
22 participate in an on-going counseling program until such time as the Board releases her from this
23 requirement and only upon the recommendation of the counselor. Written progress reports from
24 the counselor will be required at various intervals.
