RE: VA Certificate No.: 1401-143596  
Expiration Date: March 31, 2013

Dear Ms. Shaffer:

This letter is official notification that an informal conference of the Virginia Board of Nursing ("Board") will be held on **June 11, 2013, at 9:00 a.m.**, at the Department of Health Professions, Perimeter Center, 9960 Mayland Drive, Suite 201, Henrico, Virginia. In accordance with §§ 2.2-4019, 2.2-4021, and 54.1-2400(10) of the Code of Virginia (1950), as amended ("Code"), this informal conference will be held before an agency subordinate of the Board of Nursing. This informal conference will be convened as a public meeting pursuant to § 2.2-3700 *et seq.* of the Code. The agency subordinate will inquire into allegations that you may have violated certain laws and regulations governing nurse aide and medication aide practice and will consider your application for registration by examination as a medication aide in Virginia.

Specifically:

1. During the course of your employment with Oakwood Health and Rehabilitation Center, Bedford, Virginia, you may have violated § 54.1-3007(2), (5) and (8) of the Code, 18 VAC 90-25-100(2)(e) of the Regulations Governing Certified Nurse Aides and 18 VAC 90-60-120(2)(f) of the Regulations Governing Medication Aides in that, on or about August 24, 2012, you engaged in an argument with Resident A and used profanity towards him.
2. You may have violated § 54.1-3007(2) of the Code, 18 VAC 90-25-100(2)(d) of the Regulations Governing Certified Nurse Aides and 18 VAC 90-60-120(2)(e) of the Regulations Governing Medication Aides in that on the application for employment with Carriage Hill dated

September 12, 2012, you answered "no" to the question, "have you ever been dismissed or resigned from any employment," when, in fact, your employment at Oakwood Health and Rehabilitation Center was terminated on or about August 30, 2012. You also answered "no" to the question, "have you ever been convicted of any crime," when, in fact, you have a misdemeanor conviction for distributing marijuana as an accessory after the fact.

Please see Attachment I for the name of the resident referenced above.

After consideration of all information, the agency subordinate may take the following action regarding your nurse aide certificate:

- If the agency subordinate finds that there is insufficient evidence to warrant further action or that the charges are without foundation, notify you by mail that your record has been cleared of any charge which might affect your right to practice as a nurse aide in the Commonwealth;
- Recommend findings of fact, conclusions of law and a sanction, to include a reprimand, placing you on probation with terms, suspension or revocation of your nurse aide certificate, or imposing a monetary penalty pursuant to § 54.1-2401 of the Code.

In its deliberations, the agency subordinate may use the Sanction Reference Points System, as contained in the Sanction Reference Manual. The manual, which is a guidance document of the Board, may be accessed at <http://www.dhp.virginia.gov/nursing>. Please click on *Guidance Documents*, then select #90-7. You may also request a paper copy from the Board office by calling (804) 367-4515.

Further, the agency subordinate may refer this matter for a formal administrative proceeding pursuant to § 2.2-4020 of the Code.

If the agency subordinate finds that there is sufficient evidence to find you in violation of the above charge(s) and § 54.1-3007(8) of the Code, the agency subordinate shall recommend that the Board make a finding of abuse, neglect, or misappropriation of patient property, which will be entered in the Virginia Nurse Aide Registry pursuant to 42 CFR § 483.156(b)(2) and (c)(1)(iv)(D) of the Code of Federal Regulations. According to 42 CFR § 483.13(c)(1)(ii)(B), such a finding will prohibit your future employment as a certified nurse aide in any long term care facility that receives Medicare or Medicaid reimbursement.

After consideration of all information, the agency subordinate may take the following action regarding your application for registration by examination as a medication aide:

- Approve your application for registration as a medication aide by examination;
- Recommend to the Board that your application be approved with a reprimand, a monetary penalty, or terms and conditions, which may include placing you on probation;
- Recommend to the Board that your application be denied.

Further, the agency subordinate may refer this matter for a formal administrative proceeding pursuant to § 2.2-4020 of the Code.

The burden rests on you, as the applicant, to demonstrate that you meet the requirements of § 54.1-3042 of the Code.

**Board's Review of Agency Subordinate's Recommended Decision**

If you **appear in person or by counsel at the informal conference**, the recommendation of the agency subordinate will be presented to a quorum of the Board. The Board may accept or modify the recommendation, or reject the recommendation and move the case to formal hearing. If you do not agree with the decision of the Board, you have the right to a formal administrative hearing before the Board.

If you **fail to appear in person or by counsel at the informal conference**, the recommendation of the agency subordinate will be presented to a quorum of the Board. The Board may accept or modify the recommendation, or reject the recommendation. The Board's decision regarding the agency subordinate's recommendation is a final order that can only be appealed to circuit court as provided by Rule 2A:2 of the Supreme Court of Virginia.

You have the right to information that will be relied upon by the agency subordinate in making a decision. Therefore, I enclose a copy of the documents that will be distributed to the agency subordinate, and will be considered when discussing the allegations with you and when deliberating upon your case. **These documents are enclosed only with the original notice sent by certified mail, which you may be required to claim at the post office. Please bring these documents with you to the informal conference.**

To facilitate this proceeding, you should submit five copies of any documents you wish the agency subordinate to consider to the Board of Nursing, Perimeter Center, 9960 Mayland Drive, Suite 300, Richmond, VA 23233, by June 4, 2013. Your documents may not be submitted by facsimile or email.

You may be represented by an attorney at the informal conference. If you obtain counsel, you should do so as soon as possible, because absent good cause to support a request for a continuance, the informal conference will be held on June 11, 2013. A request to continue this proceeding must state **in detail** the reason for the request and must establish good cause. Such request must be made, in writing, to me at the address listed on this letter and must be received by 12 noon on June 4, 2013. Only one such motion will be considered. Absent critical circumstances, such as personal or family illness, a request for a continuance after June 4, 2013, will not be considered.
