

VIRGINIA:

BEFORE THE BOARD OF NURSING

IN RE:

DEBORAH CHAMBLISS, C.N.A., R.M.A.

Certificate No.: 1401-029127

Registration No.: 0031-000439

CONSENT ORDER

Pursuant to §§ 2.2-4019, 2.2-4021 and 54.1-2400(10) of the Code of Virginia (1950), as amended (“Code”), an informal conference was held before a Special Conference Committee (“Committee”) of the Board of Nursing (“Board”) on June 11, 2013, in Henrico County, Virginia, to inquire into evidence that Deborah Chambliss, C.N.A., R.M.A., may have violated certain laws and regulations governing nurse aide and medication aide practice of nursing in Virginia. Ms. Chambliss was not present and was not represented by legal counsel.

Upon consideration of the evidence presented, the Committee adopted the following Findings of Fact and Conclusions of Law.

FINDINGS OF FACT

1. Deborah Chambliss, C.N.A., R.M.A. was issued Certificate No. 1401-029127 to practice as a nurse aide by the Virginia Board of Nursing on March 14, 1992. Said certificate expired on March 31, 2013. She was issued Registration No. 0031-000439 to practice as a medication aide on July 14, 2008. Said registration expired on August 31, 2012.

2. By letter dated May 9, 2013, the Board of Nursing sent a Notice of Informal Conference (“Notice”) to Ms. Chambliss notifying her that an informal conference would be held on June 11, 2013. The Notice was sent by certified and first class mail to 12271 Beaverdam Road, Waverly, Virginia 23890, the address of record on file with the Board of Nursing. Neither the certified mail nor the first class mail was

returned to the Board office. The Committee Chair concluded that adequate notice was provided to Ms. Chambliss and the informal conference proceeded in her absence.

3. Ms. Chambliss is unable to safely practice as a certified nurse aide or as a registered medication aide due to substance abuse, as evidenced by her admitted alcoholism, for which she is receiving treatment, her June 2011 hospitalization and ongoing treatment for depression, and application to receive disability.

4. In February 2013, her psychiatrist indicated that she exhibited poor judgment and impulse control and that he had significant concerns about her returning to work as a nurse aide or medication aide. Her case manager with the District 19 Community Services Board also indicated that such work was not suitable for Ms. Chambliss.

5. Ms. Chambliss told her physician and an investigator for the Department of Health Professions that in September 2012 she had sold narcotics left over from an old prescription and from her husband's prescription because of financial difficulties.

6. Ms. Chambliss was last employed as a medication aide at Lake Prince Woods Retirement Community, Suffolk, Virginia. Her employment there was terminated in June 2012 for sleeping while on duty, which she attributed to adjusting to her medication for depression.

CONCLUSIONS OF LAW

Finding of Fact No. 3 constitutes a violation of § 54.1-3007(6) of the Code.
