CONSENT ORDER FOR REPRIMAND

Pursuant to Section 14.1 of the Rules and Regulations Pertaining to the Practices and Procedures Before the Rhode Island Department of Health, the Board of Nurse Registration and Nursing Education ("Board") and Robin Fox ("Respondent"), a registered nurse (RN) who is licensed by the Board, agree to resolve the above-referenced complaint against her license by entering into this Consent Order for Reprimand. Respondent and the Board further agree that this Consent Order is enforceable as a final Order of the Board.

Wishing to resolve this matter without an administrative hearing, Respondent admits to the jurisdiction of the Board and agrees to waive further procedural steps and any right to appeal this Consent Order. Respondent admits that the following Findings of Fact are true and that the Conclusions of Law are correct.

FINDINGS OF FACT:

1. Respondent is licensed to practice as a registered nurse in the State of Rhode Island under license RN49400.
2. Pursuant to Rhode Island Gen. Laws § 5-34-25 of the Rhode Island General Laws, this matter was opened upon the Board's receipt of a complaint against Respondent's license, case no. C17-0239 (the "Complaint"), alleging that Respondent had had an inappropriate relationship with a patient.
3. While Respondent was employed as a Home Health Nurse for Addiction Recovery Institute, located in Pawtucket, Rhode Island, she did, in fact, develop an inappropriate relationship with a client in her care.

2. This Consent Order shall become part of a public record of this proceeding.
3. This Consent Order shall be effective upon its execution by both Respondent and the Board.
